We wish to recruit an enthusiastic, passionate and committed classroom teacher to join our effective ACE Centre team; a unit within the main school for 24 autistic children. We know that great teachers thrive in schools where they feel valued, supported and inspired. At Crane Park Primary, we are proud of our positive school culture, strong teamwork and commitment to staff wellbeing. Our staff work collaboratively, support one another and share a genuine sense of purpose in helping every child succeed. Our most recent inspection recognised that our school motto, “**Aspire, Believe, Achieve,**” is at the heart of everything we do and we maintain high expectations for both pupils and staff. Impressively, “Pupils, including those with special educational needs and/or disabilities (SEND), rise to the high expectations that the school has for them” (Ofsted, February 2025).

Our school is set within extensive and attractive grounds and benefits from a unique and vibrant community that includes an attached ASD Centre, an on-site Children’s Centre, a playgroup, and a 0–5 fee-paying nursery, creating a rich and collaborative learning environment.
