

17th September 2024

Dear Parent and Carer,

Year 6 have got some exciting extracurricular activities planned for the Autumn term details of which are below– we are currently also trying to secure a date for the children to visit the Kingston Upon Thames Museum to link with our history topic of world War two – we will update you when this has been finalised.

We have also secured some excellent sessions (which will happen in school) that include a local Police Officer coming in to discuss keeping safe and raise awareness around knife crime and a Transport for London representative who will discuss methods of travelling and how to do it safely in preparation for them becoming more independent as they start to venture out/travel on their own a little more.

Digital leaders will be attending Sky Studios for an exciting opportunity to work alongside some of the Sky employees - Miss Tayler will be leading this trip.

TFL transport safety talk (in school): Thursday 26th September

The Hanworth War Memorial: Monday 11th November

Sky Studios (for children who are digital leaders only): Friday 27th September

Local Police talk (in school): Friday 11th October

Cineworld: Thursday 28th November

At present there is no charge for the above events but for the Museum there will be a small charge per child which we will update you with when details are confirmed.

We will be walking to the War Memorial therefore please ensure that children are in full school uniform and that they have a water-proof jacket, sensible shoes and a hat, scarf and gloves depending on the weather.

We would kindly ask that permission slips are returned to the School Office by **Monday 28th October** or alternatively please email your consent to your child attending these trips to office@cranepark.hounslow.sch.uk.

You will be informed by text message if there are any changes to the above.

Yours sincerely

The Year 6 Team
