

8th October 2024

Reception trip to Crane Park

Dear Parents and Carers,

As part of our Autumn topic Star and Comet Class will be visiting Crane Park on Wednesday 23rd October 2024.

During their visit the children will be:

- Looking for signs of Autumn (fallen leaves, conkers etc)
- Collecting leaves and other autumnal items
- Creating pictures in groups using the items collected

Children should wear their full Crane Park Primary School uniform, a warm waterproof coat and suitable waterproof footwear.

We will be leaving school at 9.15am promptly so it is important your child arrives on time in the morning. We will be returning to school before lunch and children will be provided with their usual school meal.

We need **seven additional adults** to accompany us on this trip to support us walking to and from the park and supervising a small group whilst there.

Unfortunately, for insurance purposes it is not possible for younger children to attend.

Please let your child's class teacher know if you are able to help. It promises to be a fun morning!

If you have any queries regarding this trip, please speak to a member of the Reception team.

Kind regards,

Mrs Dubey – James | Miss Nogacz
