Dear Parent / Carer

**Re: Year 5 Homework Books**

This term, your child will receive two homework books (reading and maths), which will consolidate the learning that has taken place in school, in addition to as their Bug Club and MyMaths homework tasks. The pages to complete for homework will be stated on the weekly spelling sheet.

Your child will only be asked to complete homework that has been previously taught in school. It is encouraged that adults or older siblings at home support children with home learning.

A **£5** payment for these books should be made via your Scopay online account.

We know you understand the importance of school and home working together to give your children the best possible chances; and together we will ensure the core values that we as a school promote become characteristics and attributes that your children can carry forward in the future.

Yours sincerely
