Dear Parent / Carer

Re: Year 4 Home / School Learning Books

At the beginning of term, your child received two homework books, which will consolidate the learning that has taken place in school: '**English 10-minute Weekly Workouts**' and '**Maths 10-minute Weekly Workouts**'.

Your child will never be asked to complete homework that has not been previously taught in school and, as a school, if needed, we will provide opportunities for children to receive support with their homework from staff.

It is encouraged that adults or older siblings at home support children with home learning.

The books will be sent home each Wednesday, so please ensure your child completes the work and returns it to school by the following Tuesday. The total of a **£5** payment for these books should be made via your Scopay online account please.

We know you understand the importance of school and home working together to give your children the best possible chances, and ensure the core values that we as a school promote, become characteristics and attributes that your children can carry forward to the future.

Many thanks

Yours sincerely

The Year 4 Team
