

Birth and Beyond Community Support

We can support pregnant mothers or mothers with a child under 2 year's old living in Hounslow or Feltham.

Our volunteers are other mothers from the community that have been well trained to offer:

- Providing local Information
- Listening and emotional Support
- Signposting to other local services
- Going with you to local groups and appointments

You can make a referral for yourself or for another mother with her permission. You can contact us on Birthandbeyondfeltham@nct.org.uk or contact the project manager on 07732 690817.
